Over 6,000 attend free eye and medical camp at Bilaspur

SHAH TALAI (BILASPUR): Over 6,000 villagers were examined and given medicines at a free medical camp organised by Jind Baba Charitable Trust, which has been holding this annual camp at Shah Talai for the last 14 years. The three-day camp concluded on Sunday. The trust also gave away cash awards to meritorious students from the area who obtained top three positions in middle and high school examinations held this year. Books and writing material were distributed among all students studying in the Government High School at Shah Talai. A team headed by Dr M S Ahlawat, former medical superintendent, Sonapat, operated upon 155 patients. Those operated for cataract were asked to come on December 3 for a follow-up. Another team headed by Dr M S Jain treated patients suffering from general ailments, bronchitis and asthma. Orthopedic surgeon Dr Rajeev treated patients suffering from back and knee pains. Over 250 patients were given dental treatment. Dr Nitin Jain, Dr Yash Pal and their team members built seven dentures on the spot. Dr Jain also detected two oral cancer cases and referred the patients to PGI.
